

## **Iowa Right to Life State PAC Endorsements**

We are pleased to announce that the Political Action Committee of Iowa Right to Life has made the following endorsements for state elective offices, based upon positions of the candidates and – for incumbents – their voting records.

The endorsed candidates are shown below by office held and/or legislative district. If a candidate name is not listed, it means the candidate has not returned our Candidate Questionnaire for us to validate their pro-life stance.

As candidates return questionnaires, and if we decide to issue additional endorsements, we will provide updated information.

If you are not certain of your district following the post census redistricting, you can use the following link to find out: <https://iowa-legis.maps.arcgis.com/apps/instant/lookup/index.html?appid=d32118cf09ed47beacd12742c1cf3fb3>
